Victor Reinz® – Just seal it!

As an original equipment manufacturer and replacement part supplier, Dana delivers innovative sealing technologies of the highest quality under the brand name Victor Reinz®. All spare parts in the comprehensive product range meet the high standards of OEM quality.

Dana is a world leader in highly engineered solutions for improving the efficiency, performance, and sustainability of powered vehicles and machinery. Dana supports the passenger vehicle, commercial truck, off-highway, and industrial markets as well as industrial and stationary equipment applications.

REINZOSIL

Extremely high stability at high temperatures

Description

Solvent-free, permanently elastic, fast-curing silicon sealant for sealing flat surfaces where there is a sealing gap $\geq 0.15 \text{ mm}$ / $\geq 0.006 \text{ in}$ (can also be applied to assembled components).

- Easy to position and shape and easy to apply
- Precise positioning, down to the last millimetre
- Protective cap prevents nozzle from blocking up
- Prevents corrosion of the sealing surfaces
- Non hazardous

REINZOSIL

REINZOSIL-t

REINZOSIL	Article no.	Packaging unit
Tube 70 ml	70-31414-10	25 tubes in counter display box
Pressurized can 200 ml	70-31414-20	10 pressurized cans in white carton

REINZOSIL-t	Article no.	Packaging unit
Tube 70 ml	70-31453-00	25 tubes in counter display box

- Acid-free curing means no damage to synthetic parts, electrical components, etc.
- Cures faster than other silicon sealants
- Low odour
- Can be used on vertical and overhead surfaces

REINZOPLAST

Does not crack under pressure

Description

Solvent-free, permanently plastic, non-curing, polyurethane sealant with high viscosity, for highly-stressed sealing joints without a sealing gap ≤ 0.15 mm / ≤ 0.006 in, such as joints that are subject to vibrations.

- Easy to position and shape
- Prevents corrosion of the sealing surfaces
- For wet sealing without a sealing gap
- Non hazardous

REINZOPLAST	Article no.	Packaging unit
Tube 80 ml	70-24571-20	25 tubes in counter display box
Cartridge 300 ml	70-24575-20	12 cartridges in carton box

- High viscosity
- Ready for immediate assembly
- Fully loadable within seconds
- Low odour

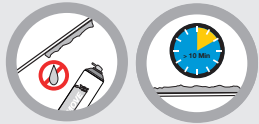

RE-MOVE

Fast gasket removal

Description

Highly effective and long-lasting sealant remover.

- High-adhesion
- When sprayed, it gives an impermeable, high-adhesion, highly effective liquid film
- Can be used on vertical, sloped and overhead surfaces
- Also suitable for removing resin and paint residue

RE-MOVE	Article no.	Packaging unit
Spray can 300 ml	70-31415-00	12 cans in carton box

- Saves time and effort
- Easy handling
- Tackles the most difficult remnants
- For removing gaskets, gasket remnants and sealants

Dana Incorporated

Dana is a world leader in highly engineered solutions for improving the efficiency, performance, and sustainability of powered vehicles and machinery. Dana supports the passenger vehicle, commercial truck, and off-highway markets, as well as industrial and stationary equipment applications. Founded in 1904, Dana employs thousands of people in 33 countries on six continents who are committed to delivering long-term value to customers.

About Dana in the Aftermarket

Powered by recognized brands such as Dana®, Spicer®, Victor Reinz®, Glaser®, Magnum®, GWB®, Thompson®, TruCool®, SVL® and Transejes®, Dana delivers a broad range of aftermarket solutions – including genuine, all makes, and value lines– servicing passenger, commercial, and off-highway vehicles across the globe. Leveraged by a global network of 13 distribution centers, Dana's dedicated aftermarket team provides technical service, customer support, high fill rates, and on-time delivery to customers around the globe.
